

LOGMEIN Add Computer

Instructions

Here are the instructions that you will need to allow our technicians access to your computer.

1. Go to www.logmein.com
2. Use lcds.support@gmail.com for the login
3. Use 'customer' for the password
4. You will then see the My Computers screen. At this point, on the left side you will see Add Computer
5. Click Add Computer
6. On the Add Computer screen you will see a button labeled 'install Logmein'. Click this button

At this point you will be installing the software needed for us to log on to your computer. Follow all the steps above and send us an email at lcds.support@gmail.com so that we can get to work repairing your PC.
